

APPLICATION TO HOST AOTEAROA MAORI TOURNAMENT

Closing Date for Applications: 30 April for following year

Associations wishing to make application to host the Aotearoa Maori Tournament should have their application completed and in the hands of the Secretary, NZ Darts Council Inc, P. O. Box 42042, Wainuiomata 5049 on Form NZDC M1 by 30 April each year for the following year. Applications can also be emailed to: nzdarts@xtra.co.nz

Proposed Prize Money, Entry Fees & Trophies

The NZDC does not dictate a total amount of prize money that each tournament is required to list. This is left to the host Association to determine, according to the sponsorship and number of entries they expect to receive. Similarly the price of entry is also left to the Host Association to decide in regards to the level of Prizes they are offering.

However, as this is a NZDC Sanctioned Tournament the minimum requirement is to offer prizes to the Top 4 placing's in each event, these can be in way of money, goods or sponsored prizes.

Posters and Entry Forms

A copy of the tournament poster and entry forms must be sent out to all Associations not less than 8 weeks prior to the tournament date.

The Secretary must receive a copy of the poster for approval prior to sending out to Associations and posting on NZ Darts Council Website.

All Posters must include the NZDC Logo

All posters must contain the words "In conjunction with the New Zealand Darts Council"

All posters must include a list of prizes and the places that they are paid down to. (Note: *By listing a prize and accepting an entry fee you have entered into a contract - it is therefore important that you are entirely sure that you can meet or supply the prizes you have advertised – failure to do so may lose you future host rights*).

At all times the Championships are to be organised and played in accordance with the NZDC Playing rules.

If at any time during the organising of these Championships you strike problems that you are unsure of, do not hesitate to contact the Secretary, NZ Darts Council for advice and guidance.
