Hi all,

Welcome to the Shot! & Puma Darts NZDC Newsletter. We trust the darts season is treating you well!

Firstly its exciting to announce that our newest dart the Ronin Makoto is now available for purchase on DartsWarehouse.co.nz

It's awesome to see that our Shot! ambassadors Cody Harris and Warren Parry are representing New Zealand at the World Cup in June, we are very proud to see these guys competing on the world stage and we wish them the best of luck!

We are looking forward to attending the NZ Masters at Kapi Mana, NZ Youth Champs in Whakatane and the NZ Senior Champs in Rotorua. At these tournaments we will have a booth which will include our latest range of products to see and test, there will be some amazing deals going so be sure to stop by so you don't miss out.

We are also very excited to introduce the latest member to join the team, Connor Fifita. He will be the main contact for any clubs sponsorship and equipment needs. So if your club has any needs around equipment or sponsorship please get in contact with Connor as we are always happy to discuss options!
